Xtreme functionality, a deep and active community, and so much more! We have a great wealth of dynamic content and are always improving the game. All races are playable online and are connected to a whole online community. Our unique game-lobby is open for all users to use and gives them a possibility to talk with other people or to exchange game-tickets. Racing is taken to the extreme! It's not just an extreme auto sport, but a real-life experience! Enjoy it and don't forget to give us feedback. Note: The game is currently in a closed beta. If you wish to join the beta, please contact us! ==Frequently Asked Questions== 1. What is this game about? rFactor 2 is a realistic, easy to drive, realistic, easy to build, realistic, easy to use, easy to manage racing game that is highly customizable. It takes place in both real and fantasy worlds. Each race can consist of several or several thousand kilometers, while the events of the story are usually a single race. The game is highly multiplayer and supports unlimited vehicles. 2. What are the game features? - Customizable settings and modifications of the in-game vehicles. - Realistic physics and a highly variable environment. - Racing in both the real world and in the fantasy world. - Highly customizable and, of course, many cars. - Highly detailed races and events. - Online multiplayer racing via a network. - A lot of mods and modifications, which can be downloaded from other players or from the developers. 3. Why do you use the terms "car" and "racecar"? rFactor 2 is a car game. The cars are built with highly sophisticated physics simulation engines. Therefore, the term "racecar" does not fit in. 4. What different game modes are there in rFactor 2? There are a lot of different game modes, all of which are played in the same environment. 5. What is the world in rFactor 2? rFactor 2 is a game set in both the real world and the fantasy world, that is a game that can only be played in a race track. There are many elements in the world that can be driven or flown in the races. 6. What is the story in rFactor 2? In rFactor 82157476af
